

# Animals Turning Clockwise

Cut and paste the animals at the different turning points.

| Start position                                                                     | One-quarter turn clockwise | Half turn clockwise | Three-quarter turn clockwise | Full turn clockwise |
|------------------------------------------------------------------------------------|----------------------------|---------------------|------------------------------|---------------------|
|    |                            |                     |                              |                     |
|    |                            |                     |                              |                     |
|   |                            |                     |                              |                     |
|  |                            |                     |                              |                     |
|  |                            |                     |                              |                     |

# Animals Turning Anticlockwise

Cut and paste the animals at the different turning points.

| Start position                                                                        | One-quarter turn anticlockwise | Half turn anticlockwise | Three-quarter turn anticlockwise | Full turn anticlockwise |
|---------------------------------------------------------------------------------------|--------------------------------|-------------------------|----------------------------------|-------------------------|
|    |                                |                         |                                  |                         |
|    |                                |                         |                                  |                         |
|   |                                |                         |                                  |                         |
|  |                                |                         |                                  |                         |
|  |                                |                         |                                  |                         |
