

### Key Strategic Targets for 2026

- Investigate expanding the school to one form entry.
- Develop our own MAT
- Children to achieve well above average in KS2 progress.
- Consistently reach our PAN across the school

### Mission Statement

The Priors School aims to provide a secure, stimulating and nurturing place to work in which motivated pupils are fully prepared for the next stage of their learning journey.

- We are a small school we offer an exceptional level of personal attention, enabling us to help all pupils maximise their potential.
- We have a culture of inclusivity, tolerance and respect ensure the school is an accepting and friendly place to be.
- Our school is at the heart of the community with which it seeks to maximise links and utilise its environment to enrich both the education of its children and the life of the village.

### Capital Projects to support School Improvement Targets for 2026

- New EYFS building and move library and B and A club.
- Replace roof on old building.
- Resurface front playground and markings.
- Outdoor Gym equipment.
- Increase storage in the school.

2-3 years  
2022 - 2024
