

## Kingfisher's Homework Project

This half term we are learning all about Ancient Egypt and, as part of this learning, we will be turning our classroom into an Ancient Egyptian Museum.

For their homework project, the children are being asked to create something to go in our museum as an exhibit. This could be a homemade artefact, a fact file, a model of a statue/building/object, or any other super ideas that your child may have. The projects can be made from anything you choose.

The children will display their exhibits in the museum on **Monday 3<sup>rd</sup> March.**

Due to limited storage space in school, we ask that the children do not bring their projects into school before this date.

We would also like to invite the parents in to visit our museum. We will open the front school entrance doors at **3pm on Monday 3<sup>rd</sup> March** for any parents/family members who would like to visit the museum.

Thank you for your continued support.

**Mrs McCarthy**
