Let's find your school

The form asks 'What's your email?' and has a text input field with a pre-filled domain '.com'. A green 'Find Your School' button is at the bottom.

Select the school to log into. Enter your password, then click **Log in**.

If you have more than one child at the school, please select the child you wish to view. Do not worry; you can select another child once you are logged in.

The top screen, titled 'Select School', shows two school options: 'The Sunnyville School of Magic' and 'Sunnyville Secondary School'. The first option has a password input field and a 'Log in' button. The second option has a 'Select School' button. The bottom screen, titled 'Who would you like to view?', shows two user options: 'Dennis Adams' and 'Kimberly Adams', each with a green selection button.

Your Homepage Dashboard.

The dashboard is the first screen that you will see. This gives a quick glance of the student's **Profile** - this allows you to see basic information about your child, and highlights any unread notices or actions needing to be completed. You will be able to amend details such as your contact details, medical information, consents, and so on.

More options will be available to view during 2023/24. Reporting absences and seeing your child's attendance will be released early in 2023/24.

You can return to this page at any time by clicking on the school's logo or choosing Dashboard from any menu.

The screenshot shows the 'Megan's page' dashboard. On the left is a navigation menu with 'Profile' selected. The main content area displays student information for Megan Hill, including her photo, name, gender (Female), form (10NE), year (Year 10), house (Acklam), and tutor (Rosie Hall). Below this are 'Notices' with three items: 'Megan Hill does not have a religion recorded - click to correct', 'You have not consented to Photograph Student for Megan Hill - click to correct', and 'You have not consented to Specific photo consent for Megan Hill - click to correct'. A 'Student Details' section follows with fields for Name, Gender, Date of birth, Ethnicity, Religion, Language, and Service child. On the right, an 'Instructions' box explains that information marked with an arrow can be edited. At the bottom right is a green 'Add Information' button.

Calendar - this shows the student's calendar for the academic year, including timetable and events.

The screenshot shows the 'Calendar' view for the week of 17-22 June 2019. The interface includes a navigation bar with 'Today', a calendar icon, and navigation arrows. The calendar grid shows the following schedule:
