Dear parents,

Our aim is to be a school who nurtures your children to always try their best and celebrate their achievements in whatever they choose to do. We are not a school that “hot house” children to pass tests, as there is much more to primary education than the tests the children take. However, we also understand our primary goal is teach your children and achieve the best academic results they can.

Over the past term, your children have been taking part in a number a statutory assessments and I would like to share a summary of the results with you, as we are exceptionally please with how well the children have done.

Year 1 Phonics Checks

86% of children in Year 1 achieved the expected pass mark, which is above the national percentage of 79%

Year 4 Multiplication Check

56% of children achieved full marks of 25 out of 25. The national result in 2023 was 29%. Our average mark was 22.67 out of 25. The national average score in 2023 was 20.2.

Year 6 SATs

Reading – 100% of children achieved the age expected standard. The national result is 74%.

Writing – 92% of children achieved the age expected standard. The national result is 72%.

Maths – 75% of children achieved the age expected standard. The national result is 73%.

Spelling, Punctuation and Grammar – 84% of children achieved the expected standard. The national result is 72%.

Reading, Writing and Maths combined – 75% of children achieved the age expected standard in all three core areas. The national result is 61%.

I am sure you will all join me in congratulating the children in our school for their brilliant results.

Thank you for your continued support,

Ricky Emms
