

Friday Memo 13-06-25

Slapped cheek syndrome

We have had a suspected case of Slapped Cheek Syndrome within the school. Symptoms may include:

- a high temperature
- a runny nose and sore throat
- a headache

Please see the NHS link below for further information:

<https://www.nhs.uk/conditions/slapped-cheek-syndrome/#:~:text=How%20slapped%20cheek%20syndrome%20is,until%20they%20get%20the%20rash.>

Weather

With the weather due to be rather warm next week, gentle reminder to bring sun hats, sun-cream (please apply before school) and ensure that the children have a suitable water bottle.

PTA update:

Thank you all for supporting the summer fair - we are delighted to announce that it raised £800!

Frozen Fridays! Each Friday between now and the end of term, so long as the sun is shining, the PTA will be on the playground at Friday pick up with ice poles and ice creams to purchase. Cash preferred but card payments over £1 available!

DISCO!

Wednesday 9th July will be a Robins and Starlings disco from 3.20 - 4pm and the following week on **Wednesday 16th July** will be Kingfishers and Owls from 3.20-4.15pm.

Permission slips and payments of £5 per child to Mrs Clarke in the office (permission slips also available from the office!)

Permission slips will also have space for a song request so don't forget to ask your child what song would get them on the dance floor!

We do need to ask parents of preschool children to attend the disco with them, or have a nominated adult that they know well to attend to help them. We noticed at the last disco that a number of the younger pre-schoolers found the disco a little overwhelming so your help in ensuring they are comfortable is appreciated!

Wishing you a lovely weekend.
