Head Teacher: Ricky Emms

Good luck Mrs McCarthy

We are saying a temporary good bye to Mrs McCarthy today as she heads off on maternity leave. We wish Mrs McCarthy and her husband Luke all the best for the future and we cannot wait to meet their new baby when she arrives in the next few weeks.

House Captains

Each year, the children of the school elect the house captains to represent them. This year, after a close vote, the house captains and vice captains are:

Pine - Fyfe – Captain; Ivy – Vice Captain; Myah – Vice Captain

Cedar - Kuba – Captain; Bertie – Vice Captain

Yew - Oliver C – Captain; Oliver F – Vice Captain

School Council

The children also elect school councillors to represent their class and offer suggestions to the head students to bring to me. The School Councillors this year are:

Robins – Ellery and Bettie

Starlings – Sloane and Rupert E

Kingfishers – Ada and Jessie

Owls – Joshua and Molly

Well done to all of the children for being elected!

Village Playground

We have had to take the difficult decision to stop using the village play area during the school day. When we complete our regular risk assessments, we have notice that some areas are in need of repair and we could not ensure the children would remain safe. We know the Parish Council are working very hard to raise funds to replace the equipment and we are hopeful that this may happen in the near future.

We would just like to highlight to you that some parts of the wooden structure have planks missing and the floor does become very slippery when wet, so if you use the park before or after school, please keep this in mind.

Parking

Unfortunately, parking is becoming a bit of an issue once again and if we don't work together to deal with this problem, we could have some difficulties in the future. The new landlords of the pub are happy to honour the long standing agreement we have had with the pub. However, they are requesting that you park responsibly and safely in the car park. If parking continues to be an issue, they have said they will put gates across, and this really would be difficult for us. So please, if the car park is full, park elsewhere in the village and walk the short distance to school. Thank you for your support in this matter.
