# FRIDAY

**27th February 2026**

Happy last Friday of meteorological winter! It's certainly been a season to remember — cold, wet, and seemingly endless at times.

With the first day of spring arriving on Sunday, here's hoping it brings brighter skies, lighter evenings, and a welcome dose of sunshine for us all.

We are delighted to welcome Charlotte Paynter, our new Teaching Assistant for Starlings, to The Priors School. Charlotte, we are so pleased that you are joining us and becoming part of our school community. We wish you every success as you begin your journey with us and hope you quickly feel at home here at The Priors School.

We look forward to working with you and are excited about the positive impact you will have in Starlings and across the school. Welcome to the team!

Thank you all for using Arbor, this is proving (in some cases) a little bumpy with emails going to your junk mailbox, I am trying to get this sorted (if I can).

Please remember to book your children in for Breakfast Club and After School Club if required, great news is that the booking system is open till 3pm daily on Arbor so you can book in last minute also!

Fresh Start has asked us to remind parents to book in their meals for the coming weeks. Late bands are always available – these MUST be booked before 09:00am for the day required.

Lost Property is currently overflowing, if you feel you are missing items of uniform belonging to your child, please come and take a look.

World Book day is on Thursday 5<sup>th</sup> March, really looking forward to seeing the children dressed up as their favourite book or word.

Starlings should have received a letter regarding their trip to The Butterfly House, please make payment via Arbor.

We have a team entered into the Bob Moore Football Tournament this coming Sunday 1<sup>st</sup> March, please do come along to support if you are able – kick off is at 1pm! Let's hope for Spring weather.
