

THE PRIORS SCHOOL

EASTER TERM NEWSLETTER

As we reach the end of this term, we are delighted to reflect on the incredible experiences our students have enjoyed. This term has been filled with enriching visits that have not only complemented our curriculum but also ignited a passion for learning beyond the classroom walls. Our students had the opportunity to attend the Young Voices Concert, where they showcased their musical talents alongside thousands of other children. They also explored the wonders of nature at the Stratford Butterfly Farm, engaging in scientific observation and learning about biodiversity. We also had a Roman day workshop and a birds of prey visit. What a great term!

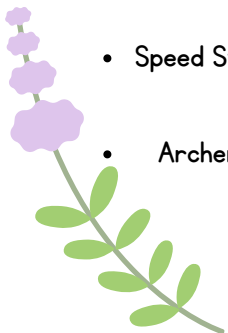

These experiences are vital for fostering curiosity and engagement in various subjects, as they encourage students to apply their learning in real-world contexts. The joy and excitement of these outings were palpable, and we are proud of how our students embraced each opportunity. As the weather warms, we look forward to even more outdoor activities that will continue to enhance their learning journey.

Sporting Successes

We are thrilled to celebrate the outstanding achievements of our sports teams this term! Our students have demonstrated incredible teamwork, perseverance, and sportsmanship across various competitions. From football to archery to Speed Stacking, their dedication and hard work have truly paid off, resulting in fantastic achievements that we are all proud of.

- **Football Team:** Two exceptional performances in the Bob Moore Trophies. The older children played so well as a team and competed in every single match. The younger children showed great skill and determination to reach the final - narrowly missing out in a tight game.
- **Speed Stacking:** The children in Years 3 and 4 qualified for a regional finals event in Coventry and represented the school so well. We are very proud of them!
- **Archery:** Four children took part in an archery competition and hit so many bullseyes, it was impressive to see!

PTA Update

We extend our heartfelt gratitude to the Parent-Teacher Association (PTA) for their unwavering support and dedication to our school community. Their fundraising efforts have made a significant impact, enabling us to enhance our facilities and provide enriching resources for our children.

The PTA's commitment fosters a sense of collaboration among parents, teachers, and students, reinforcing the importance of community involvement in our school. We encourage all families to support the upcoming events, including the much-anticipated ball, which promises to be a delightful evening for all. There are a limited number of tickets left which can be purchased at: www.thepriorsschoolball.co.uk

Community Corner

The Church Easter Craft Morning, a wonderful opportunity for families to come together and engage in creative activities on Wednesday 1st April from 10am to 12pm.

If you would like to attend please contact Shirley on 07870 685124

Playground

The PTA would like to invite you to a final consultation regarding the upgrades to the village play area on the evening of Monday 20th April. Final details will follow shortly.

Mrs Hugo

Today marks the end of an era. Mrs Hugo has been working at The Priors School for 6 and half years and has been a wonderful colleague, friend and supporter for the children. Mrs Hugo joined us on a short number of hours, which gradually built up over time. She has worked in every single class in the school, with individual children, in the wrap around care, supported the PTA and been a school governor. Mrs Hugo's dedication to the school has been wonderful and we are really going to miss her! We wish her the best of luck in her new venture, working as the office manager for Arise Education.
