

# FRIDAY MEMO

12th June 2026

WOW! What a great start to the week and such super turn out at The Hollybush for the arrival of Jill Scott. She was so overwhelmed by the turn out of the school and others welcoming her on the first part of her return Home for Sports Relief.

Our Starlings Class have been making moving art this week in relation to their fire of London topic, their 2D art work has been amazing and we are so excited to see their class project coming together. Next week Starlings will be writing a recount of Paddington Bears Adventures in London.

I have heard our KS2 classes rehearsing their song for Shakespeare Rocks! Priors children, you are sounding so good.

Huge thank you to Kiri for donating the flowers in our front boxes, they look beautiful.
