Dear parents and carers,

Firstly, welcome to The Priors School. We are delighted that you have chosen our lovely family school as the best place for your child's education. It fills us with great pride to know that you are entrusting us with the care and development of your child, and we promise to do our utmost to ensure your trust in us is well placed.

Please note that Warwickshire County Council has moved to an **'auto accept'** model this year; so you will not need to do anything to accept your place, although we would appreciate it if you could email us to let us know. If you do not wish to accept your place at The Priors, you must contact Warwickshire Admissions as soon as possible.

The vast majority of you already attend The Priors Nursery and have a relationship with the school, so you know the staff and what our values are. However, we would like to invite you all to a New Reception Parents' Meeting on Tuesday 25th June at 6.30pm. This meeting is where we will share lots of information with you, give you chance to ask the school staff questions and give you chance to see the school space. If you cannot attend this meeting, please do not worry as we will gladly talk to you individually if you need us to.

We want you to feel part of the school family and know that this is an exciting and also probably a time of anxiety and nerves. We want to do our utmost to support you during this transition and we will be in touch with you throughout the summer term and we will invite the children, who aren't in our preschool, to attend some settling in visits before the summer. We are here for you to answer your questions or worries, so please do get in touch with us.

Once again, thank you for choosing The Priors School, and we look forward to working with you and your children in the near future.

Many thanks,

Ricky Emms
