Thursday 22nd February 2024

Dear parents and carers,

Following the massive success last year, we are delighted to inform you that we have signed up and have been allocated 25 spaces for the TCS Mini London Marathon on Saturday 20th April. We have registered for the 1 mile race, which allows us to take children from Reception up to Year 6. The event will take place on part of the London Marathon track and the children will finish on the world-famous Finish Line on The Mall.

Children in Years 3 and above can run the course on their own and children in Reception to Year 2 will be accompanied by an adult, with a ratio of one adult to 8 children.

We will need to finalise our plans for this event, but we are hoping to run this the same as we did last year. We will book the coach once we have an idea of numbers coming on the coach. If you are using the coach the running children will be transported for free, with the remaining costs split between the number of supporters (including non-running children) taking advantage of the coach. If you are planning to travel independently please let us know. We do not know our meeting point yet, but we will make sure you have this information in advance.

Our wave for running will be between 11am and 2pm. We have not been allocated our time as yet and this will affect the timing of the coach, however we are planning on returning in the early evening to give everyone an opportunity to spend some independent time in London after the event.

If you would like your child to take part in this iconic event, please email us with the following information by **Friday 1st March 2024**. We will run a strict first-come-first-served basis and then create a waiting list if we have more than 25 children interested.

Name of child/ren taking part	
Names of supporters in your party	
Are you intending to travel independently or on the school organised coach?	
Is an adult from your group interested in running with the children?
