Dear Parents / Carers,,

Two – Two and a Half Year Integrated Review

Have you had a recent development review for your child from either your early years setting or your health visiting team? If you have, we would really appreciate your views. These 2 reviews together are the two – two and a half year integrated review.

We are currently reviewing the integrated nature of this process in Warwickshire and would find your thoughts helpful as part of this process.

We would be grateful if you could spend a couple of minutes completing the feedback survey below. All responses are anonymous, and your feedback will help us to shape the integrated process moving forward.

You can either place your phone camera above the QR code which will take you to the survey, or if the document is already on your electronic device, you can press the code to be connected to your internet provider which will take you to the survey.

Thankyou for your time.

Yours sincerely,

Sharon Kindred
